

High School Leadership Board Application 2025-2026

The Meals On Wheels of Tampa High School Leadership Board (HSLB) connects local high school students with Meals On Wheels of Tampa's mission and the community, through a variety of activities including volunteering and project development.

The HSLB is a service-learning and leadership development program where members of the HSLB will contribute to programming while acting as ambassadors and leaders in their communities.

Being a member of this Board will require a commitment to attend an initial in-person meeting during the summer, with subsequent monthly meetings for project planning. A survey will be conducted to determine the best meeting time for the group. Additional meetings may be required closer to project completion. Board Members are required to deliver at least 2 routes and complete 1 mission presentation to a group, per program year.

Please submit your completed application to Leslie at l.williams@mowtampa.org by **May 23, 2025**. Interviews will either be scheduled in person, virtually, or by phone.
