High School Leadership Board Application 2026-2027

The Meals On Wheels of Tampa High School Leadership Board (HSLB) connects 15 local high school students with Meals On Wheels of Tampa's mission and the community, through a variety of activities including volunteering and project development.

The HSLB is a service-learning and leadership development program where members of the HSLB will contribute to programming while acting as ambassadors and leaders in their communities.

Being a member of this Board will require a commitment to attend an initial in-person meeting during the summer, with subsequent monthly meetings for project planning. A survey will be conducted to determine the best meeting time for the group. Additional meetings may be required closer to project completion. Board Members are required to engage with the mission through various activities during the term.

Please submit your completed application to Cindy at c.vann@mowtampa.org **by May 29, 2026**. Interviews will either be scheduled in person, virtually, or by phone.
