31 Baked Chicken Barley with Peppers & Onions Boiled Green Beans Sodium 230 Potassium 545 Phosphorus 218				

All seasoning used has only dry herbs and zero salt. The sodium, potassium, and phosphorus levels are calculated based on the following: 3oz cooked protein, 1/2 cup vegetable serving, grains are as follows - couscous 1/3 cup, white rice 1/4 cup and barley is 1/4 cup. Please Note: All nutritional information listed reflects the meal itself. It does not include any “extras” that may be provided with the meals - such as sides, salads, desserts, etc.

All menu items are subject to change according to product availability. Thank you in advance for your understanding.
